### **STALLION SERVICE / SHIPPED SEMEN CONTRACT - DOMESTIC**

(Note: this contract applies to mares residing within Canada only, for mares residing in the United States refer to STALLION SERVICE / SHIPPED SEMEN CONTRACT - INTERNATIONAL)

Name of Mare: \_\_\_\_\_

Breed: \_\_\_\_\_, Registration No.: \_\_\_\_\_

1. I \_\_\_\_\_, hereinafter referred to as the MARE OWNER, do hereby enter into an agreement with Cee Arr Appaloosas (Bill Cookshaw & Marie Rowe) hereinafter referred to as the STALLION OWNER, on this \_\_\_\_ day of \_\_\_\_\_, 2020 to breed the above named mare to the stallion **IMA DOCS HIGH SIGN**, ApHC registration # 621229, during the 2020 breeding season. The 2020 breeding season is considered to be the period between March 1st and June 30<sup>th</sup>, 2020.
2. The breeding shall be by cooled transported semen. The stud fee is \$750.00, which includes a \$150.00 non-refundable booking fee. which shall be payable upon the execution of this contract. The stud fee balance of \$600.00 will be due and payable in full, prior to the collection, processing and shipping of any semen. All fees are subject to 5% Goods & Services Tax (GST) for Canadian residents only. Cheques, for payment of stud fee(s) shall be made payable to Cee Arr Appaloosas, all money in CAD (Canadian) funds. Method of payments shall be by money order, bank draft, wire transfer or by Pay Pal. Out of country personal cheques cannot be accepted due to Canadian bank processing issues.
3. In addition to the stud fee (and the included booking fee), payment shall be made by the mare owner to Moore Equine for services including semen collection & processing and local courier. Payment may be made by providing to Moore Equine the number of a valid credit card, or an alternate method of payment may be arranged between the mare owner and Moore Equine. The following debit charges, in CAD funds, will be made as they occur:
  - a) \$285.00 CAD for semen collection and processing for shipment.
  - b) \$103.00 CAD for local courier from repro clinic to Fedex shipping depot.
  - c) All costs related to semen shipping and, if applicable, the cost of one disposable shipping container.

The reproduction clinic fees are for one-time semen collection and processing only. This fee will be charged each time semen is collected and processed for shipping. There will be a maximum limit of three (3) shipments of semen per mare per breeding season. All costs related to additional semen collection and shipment must be

paid for by the MARE OWNER prior to shipment.

4. Semen shipments will be by courier, priority overnight service whenever possible.
5. It shall be understood by all parties that should the stallion die, or become unfit for service for any reason or if the mare should die or become unfit for breeding for any reason, that this contract shall become null and void and that both parties are relieved of any further obligation hereunder. If such circumstances do occur, the STALLION OWNER agrees to refund to the MARE OWNER any monies paid toward the stud fee, with the exception of the non-refundable booking fee. However, any and all incurred expenses relative to breeding the mare prior to that occurrence, shall be due and payable to Moore Equine.
6. This contract includes a "live foal guarantee". A live foal is described as a newborn foal that stands and nurses without assistance. If the foal dies without standing and nursing or is born dead, return breeding privileges shall apply only if the STALLION OWNER is notified promptly and receives a veterinarian's written statement confirming the foal's death. Return breeding privileges shall apply only to the next normal breeding period. All services provided by Moore Equine for return breedings will be charged at the current rate for the next breeding season.
7. If for any reason the MARE Owner's mare does not "settle", the STALLION OWNER and/or Moore Equine shall not be held liable. The MARE OWNER agrees that if the mare does not "settle" in foal during the 2020 breeding season that the only recourse is a return breeding privilege during the 2021 breeding season. Should the MARE OWNER choose not to take advantage of the return breeding privilege prior to the end of the 2021 breeding season, then all return breeding privileges will be forfeited by the MARE OWNER. The 2021 breeding season will begin on March 1<sup>st</sup> and end at mid-night June 30<sup>th</sup>, 2021.
8. The MARE OWNER understands that much of the burden of conception is placed in his/her hands and his/her veterinarian or breeding technician. Furthermore, the MARE OWNER understands that the successful breeding must be a coordinated effort between all parties involved and to that end hereby agrees to diligently carry out the following responsibilities:
  - a) notify by phone, Moore Equine, as early as possible of the mares expected date of her next heat cycle,
  - b) notify by phone, Moore Equine, not later than 4:30 pm, the day before, that a semen shipment may be required,
  - c) confirm by phone, the order for shipped semen not later than 8:30 am on the day of collection & shipping,
  - d) ensure the proper handling of the semen and that the mare is inseminated by a breeding professional, without delay after the semen is received.
9. The "breeder's certificate" / "registration application" will be issued to the MARE OWNER after processing of the "stallion breeding report" by the Appaloosa Horse Club (ApHC) and only if all breeding fees and related expense have been paid in full. The MARE OWNER acknowledges that in order for the resulting foal to be registered with the ApHC, the mare must be registered with the Appaloosa Horse Club or one of the following ApHC approved breed associations:
  - American Quarter Horse Association, Amarillo, TX
  - Arabian Horse Registry of America, Denver, CO
  - The Jockey Club (Thoroughbred), New York, NY
10. A current copy of the mares registration papers (front and back) must accompany this contract.
